A new classroom and covered playground at Picol

After several months of work, the playground is now cemented and covered, and the new classroom is ready to host, after the holidays (Wednesday March 1st 2017), the pupils of 'primer grado' (the 1st level of primary school).

Many thanks to the volunteers (Marine, Marion and Danaé from the University of Cholet/Angers, Eric, Scott, Timothée, Lucien, the scouts UniVert from Doullens ...) who helped parents and teachers with the construction work!

A dormitory and a kitchen at Anccoccala school

This project has been directed by Marlene from Huchuy Yachaq's organisation which we support. Anccoccala is located midway between Cusco and Titicaca lake, at 12960 ft. Twelve of the pupils must walk a long way each day to come to school...

In partnership with the organisation [Les Catalans du désert](#), we financed part of the dormitory and the kitchen where diners and breakfasts are cooked.

A huge thank to Catalans du désert for their financial support!

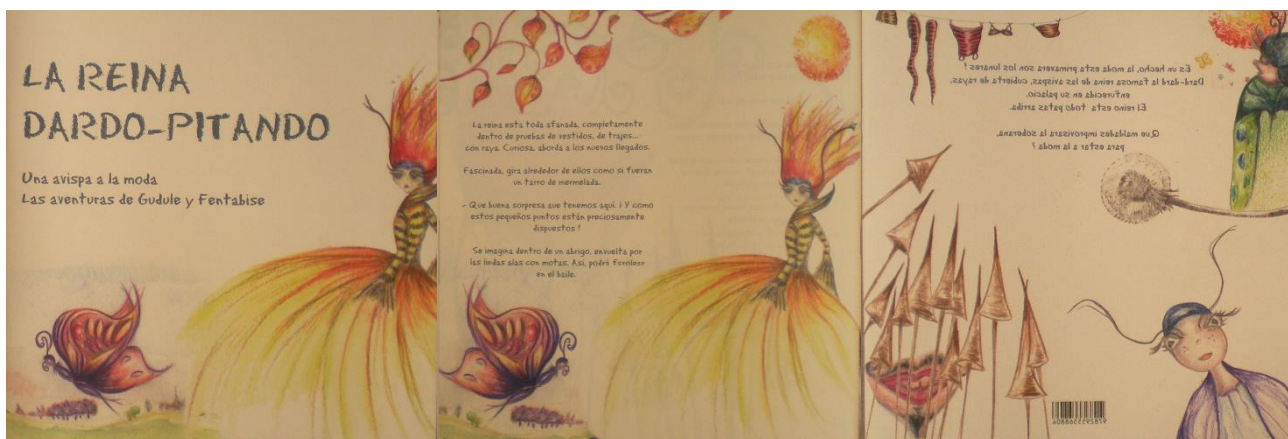

2000 copies of *La Reina Dardo-Pitando* for the Chicos

Myriam, member of our organisation, gave 2000 books in Spanish for the children.

Here is the story told by Myriam:

"The project of *La Reina Dardo-Pitando* arose from a discussion with Martine La Hyène, French tales author and occasional teacher in a technical college (CIFOP, L'ISLE D'ESPAGNA, France). This book has been used as a course material for students. While I was talking about the actions of Los Chicos de Cusco, she decided to offer the book to our organisation.

Then we translated it in Spanish. All the supplies have been paid by the technical college."

We warmly thank warmly Myriam, Martine, the students and teacher for their action. These 2000 books will be hand out to children of the Peruvian schools we support.

Crowdfunding: the initiative of one volunteer

Sophie Crestey was volunteer at ASVIN school last August. Deeply touched by the story of the school and eager to see it continuing many years, she decided - when she came back to France - to launch a crowdfunding campaign on [Le Pot Commun](#). Thanks to her and 39 kind donators, more than 1 770€ have been donated to us; this money will help ASVIN to pay different fees. Thank you, Sophie, for your amazing initiative!

#TwoShoesForSchool, Perú

Thanks to their incredible growth and their #TwoShoesForSchool campaign, our partner [Perú](#) gave us 3 donations in 2016, the last one amounts to 5 135€ (December 2016). For your information, 1€ for each pair of shoes sold is donated to Los Chicos de Cusco.

Their social initiative brings us a visibility in the media; recently in [Caquette](#), [Hello Demain](#).

Many thanks to [Perú](#) team!

Our general assembly

All our members are invited to take part in our general assembly **Friday, February 17th 2017, at Elne** (Espace Gavroche, Boulevard Voltaire, France). After the meeting, we will organise a cocktail.

Los Chicos de Cusco-Titicaca will be 10 years old soon

Our organisation was born 10 years ago! This is an important moment that we want to celebrate! We are looking for your suggestions to organize one or several events. Any idea? Don't hesitate, share it ☺ - send us an email to chicoscusco@ecolesandines.com

Special thanks to...

Alison, Clive, Olivia, Eric, Guim, Grégory, Paulin, Gaël, Annegret, Olaf, Brigitte, Muguette, Aurélie, Aurélien, Adriana, Sylvie, Camille, Emilie, Robin, Juliette, Olivier, Constance, Titouan, the scouts from Tournefeuille, from La Rochelle, from Valenciennes, d'Avray, from Doullens...
